

Director of Training

19 February 1953

Chief, Intelligence Training Division

Weekly Report

1. P.T. VII is now in its last week, and the course will end February 25. The Registrar has been requested to prepare a notice for the next course, which is scheduled for March 11.

2. The Reading Improvement Branch currently has 109 students enrolled in six training courses and three retention programs. The retention program is functioning smoothly and is receiving good support from Agency personnel.
